Report on Crash Course Programme for Admission into Masters

About the Course:

The Department of Chemistry, Science College, Kokrajhar have been organizing Crash Course Programme for Joint Admission Test for Masters (JAM) and M.Sc. Entrance examinations for the students of Sem-V of the department every Year. So far twelve students have cracked JAM and completed their M.Sc. from IIT, NIT etc. and a good number of students are pursuing M.Sc. The Department also organizes different activities like seminar, workshop and other departmental activities among the students for their all-round development.

The Department of Chemistry under banner Career Guidance and Placement organized Crash Course classes for the students of undergraduate. The crash course is intended to enable the students of the department to qualify competitive examinations like JAM, PGET etc. The students of the Departments having aspirations to pursue higher education get the benefit of this programme.

The following are the details of the Competitive Examination Guidance classes conducted by the department.
